

The Life Enrichment Center
AT OYSTER BAY

The strength of a community can be measured by how well it cares for and supports all of its residents. The Life Enrichment Center is dedicated to those residents ages 50+. We provide programs and services that allow residents to stay healthy and remain a vibrant part of our community.

As a nongovernmental charitable organization, we rely on our friends, corporations and foundations for financial support. When you make a gift to our annual "Circle of Friends Campaign", you are showing what The Life Enrichment Center means to you and to the rest of the community.
