

**The Life Enrichment Center
At Oyster Bay**

October 2013

Dear Friends,

As the new Executive Director of The Life Enrichment Center at Oyster Bay, I admire what the Center has achieved with your help. Your support through the annual Friends Campaign has enabled the Center to maintain services during the most difficult economic times.

I enthusiastically look forward to assisting the Board to expand the Center's services to the community's growing and consistently changing senior population, with your continued support. You will be pleased to hear that we have hired a full-time Social Work Coordinator to broaden the scope of our services.

With you by our side, the Center has successfully provided thousands of Senior citizens with comprehensive services, nutritious lunches, transportation, wellness and fitness classes and entertaining activities five days a week, 250 days a year for over thirty years! Our adult day care program Day Break ensures that the needs of the frail and memory impaired Seniors are addressed as well.

Our goals for this coming year will be to address substantial gaps in services such as programs for the homebound and those in nursing facilities, as well as expanded support for their families. Additionally, we are exploring solutions for transportation challenges, and teaming up with the County to offer the Center as a refuge to Seniors in weather-related emergency situations.

On behalf of our Board of Directors, and all of us here at the Center, thank you for your ongoing support and commitment to our mission. Your contribution to this year's Friends Campaign will be deeply appreciated.

Sincerely,

Silvana LaFerlita Gullo
Executive Director
